## Director's Corner

As we go into the month of April and the continued closure of GCC due to COVID-19, the health/safety of all is our main priority at this time. Therefore, GCC will remain closed thru the month of April. At which time we will re-evaluate a future re-opening.

This unprecedented experience has not been without its considerable challenges both here at GCC and I am sure at your homes. Therefore, we are doing our best to keep you informed of any changes as we receive them through Community Care Licensing, CDC, The Public Health Dept., the Governor, the President as well as guidance from the Geneva Presbyterian Church Pastors.

The GCC Board and myself want to thank you for your continued ongoing support, patience and giving now and in the days ahead. With your generosity we have been able to continue to pay staff during the closure of GCC due to the rising concerns of COVID-19 in and around our community, state and nation. May God protect all of you!

Several families have asked how can they help during this time of friendship, love and need. At GCC we know that many of you have been laid off of work and times are tough, we will not be collecting tuition for the month of April, but we would like to have you consider 3 options as GCC continues to pay staff and meet their financial obligations.

1. Pay your regular tuition for the month of April with a credit towards another month of your choice.

Mail checks to: Geneva Children's Center  
24301 El Toro Rd.  
Laguna Woods, Ca. 92637

2. Continue to pay your regular tuition with no credit knowing that monies are being used for staff salaries during the time GCC is closed.
3. Make a donation in any amount (this is not tuition) that would go toward staff salaries. GCC is a non-profit 501(c)3 organization. You will receive a tax donation letter.

We value our staff and want to help them in anyway we can. We have also provided gloves and masks to help protect them at home.

Continue to pray for each other, help where you can, wash your hands constantly and give hugs to your children from all of us at GCC.

We love you and miss you. Please contact Mrs. Sherry. Director at 949-581-2200 if you have further questions, ideas or comments.
